

Rules of the WMLTC Tournament 2016

Each round will be the best of **3 full sets**. A tie break will be played at 6 all in all sets – i.e. no tie break third sets. See handicap rules for scoring in the men's handicap event.

If matches are not played by the “played by” date then the tournament referees' decision will be final as to who goes through to the next round.

Please enter your result immediately after playing, if you cannot gain access to the club house then e mail Sue in the office.

It is unlikely that any extensions will be granted as this affects the people playing in the rest of the draw.

Any queries can be addressed to Sue Jones via e mail to the club info@westmiddlesexltd.co.uk

Finals day will be **Sunday 20th November when** we will have a barbeque and hopefully you will come and support the players.
